## **THANK YOU PARTNER!**

The Greater Florida Buccaneer Chapter of AAHAM would like to express sincere thanks to you and your organization for support of our conferences. Your support of our chapter allows us to provide outstanding learning and networking opportunities to individuals working in healthcare and healthcare related fields.

With your commitment and dedication we maintain our status as being the largest Chapter in the Nation. We could not have reached these goals without YOU.

As our industry changes so do the challenges we face day to day. As a chapter, one challenge that we face is provider participation. As you review the benefits of each level please note as a Corporate Partner you have the opportunity to invite non-member providers to join as a National Member as well as attend our conferences on your behalf.

As you read over the enclosed information please consider which Partnership level would benefit you the most. Should you have any questions please do not hesitate to call me at 321-662-9655.

Thanks again for your commitment and dedication.
